PROFESSIONAL EXPERIENCE

Wetzel's Pretzels

Pleasant Hill, CA

Cashier

April 2023 – August 2024

- Built a strong foundation for leadership, time management and communication within the food industry
- Sold and baked Pretzels for customers, coworkers, and those in need

The Spanish Table

San Francisco/Berkeley, CA

Cashier/Barista

April 2025 – November 2025

- Acquainted myself with imported European goods and wines in order to prepare specialty foods and drinks and to accurately help customers with their needs

Evergreen Cafe

Berkeley, CA

Cashier/Barista/Host

December 2025 – Present

- Offer perspective and variety into our cafe that specializes in all sorts of coffee and brunch cuisines, all with ingredients sourced from local areas
- Every other weekend, the cafe hosts catering events with local shops/restaurants, wine tastings or movie screenings where everyone from the bay area is welcome

LEADERSHIP AND EXTRACURRICULARS

Social Chair Intern — Hispanic Engineers and Scientists

UC Berkeley, CA

Extracurricular

Fall 2025 - present

- My lead and I have planned a potluck, movie screenings and tutoring to create a sense of community for Hispanic stem students at Cal; We also help ideate for info sessions with companies and fundraisers

Centro De Servicios

Bay Area, CA

Public Service

Spring 2022 – Spring 2024

- Offered food bags to those struggling with hunger, refurbished rusty appliances, and cleaned/separated clothes at Centro De Servicios in Union City
- Raised donations of food and clothing through various fundraisers; packaged food and hygiene products for the Homeless Prenatal Program in San Francisco

Community Tutoring | Lick-Wilmerding High School

San Francisco, CA

Public Service

Fall 2023 – Spring 2025

- Tutored two 6th graders that struggled in Math and English with a free after school program designed to serve 5th-8th grade public and parochial students in our neighboring communities.

International Tutorings

Oaxaca, Mexico

Volunteering

Summer 2024

- I contacted an elementary school in San Felipe del Agua, Oaxaca and offered free and open door support to low-income Mexican students struggling in Math and English
- These students continue to show their growth by sending me letters in English, showing interest in learning more

ENGINEERING PROJECTS/EXPERIENCE

Competition Team — Cal Siesmic

UC Berkeley, CA

Member

Fall 2025 – present

- I have learned the basics for structural integrity, Rhino 3D, and SAP 2000
- With a team of three, we designed and tested a structure of popsicle sticks withstood a 95 pound bucket of sand

Collaborative Passion Project

San Francisco, CA

Music Selector

Spring 2025

- In a group of three, after learning Raspberry Pi, we made a playlist shuffler that attempted to select a playlist we would enjoy based on the time of day and weather.
- Built off a 3D printer, and using a screen that was connected to a Raspberry Pi server
